Dear Katherine,

My name is Andri Firman Saputra hereby I would like to apply for the position of Unity programmer at your place of business. I applied for this position because it fits my background and I like new things. I have completed a computer degree at Pamulang University and from that experience I am sure I can master it as a Unity Programmer.

I can assure you that I am a reliable and hard-working person. Therefore, I believe that I will be a good asset to your company. I look forward to joining your team to build my career and at the same time, working with your team to develop your company growth.

Your Sincerely,
