

Nama : Andri Firman Saputra

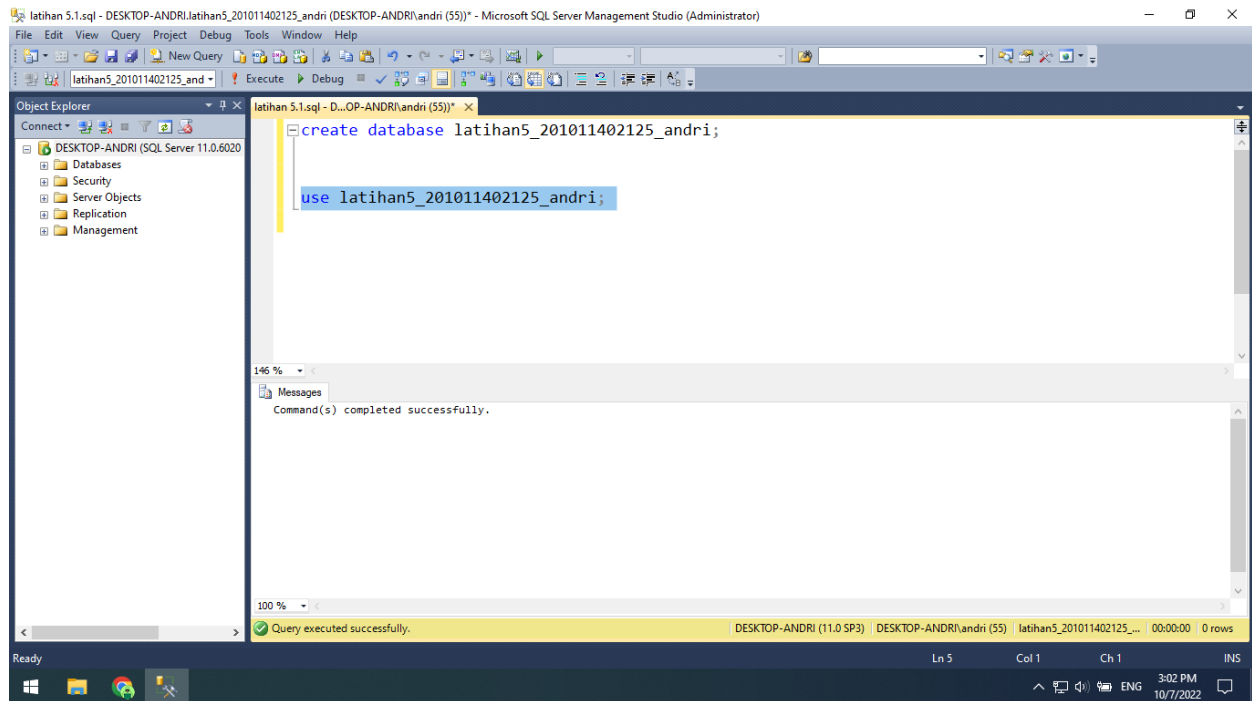

NIM : 201011402125

Kelas : 05TPLP016

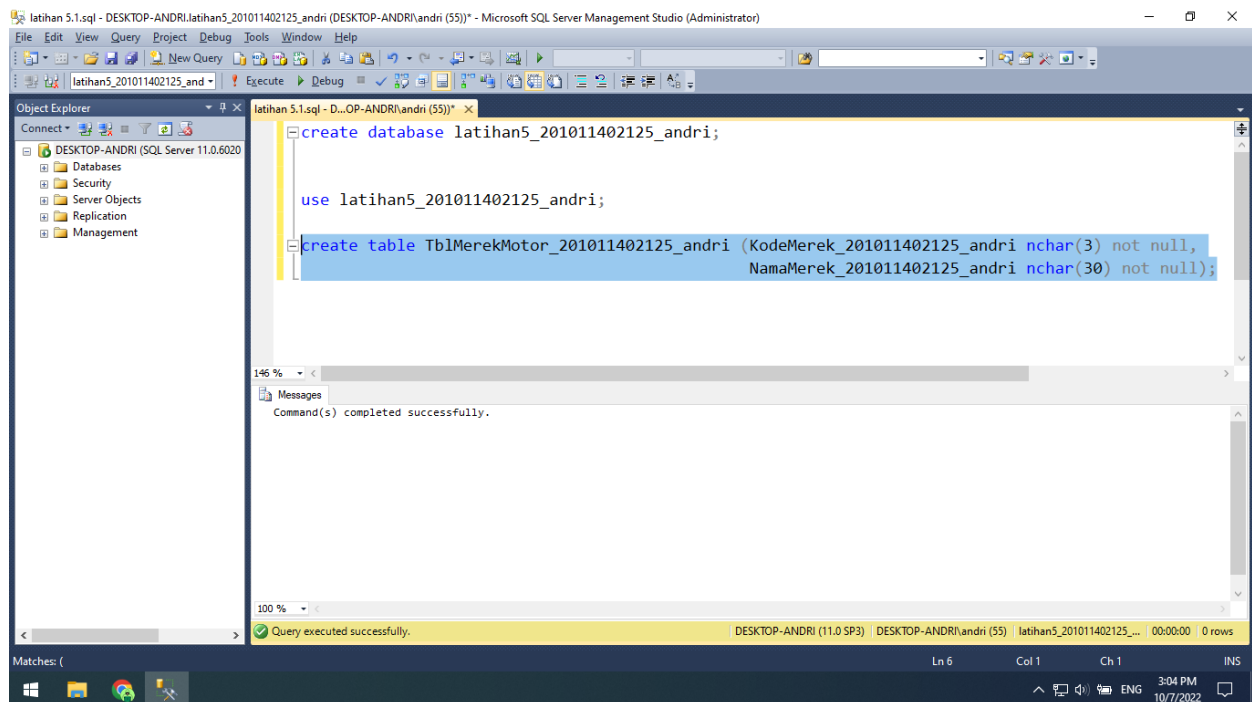

Tugas : Basis Data II – Latihan 5.1

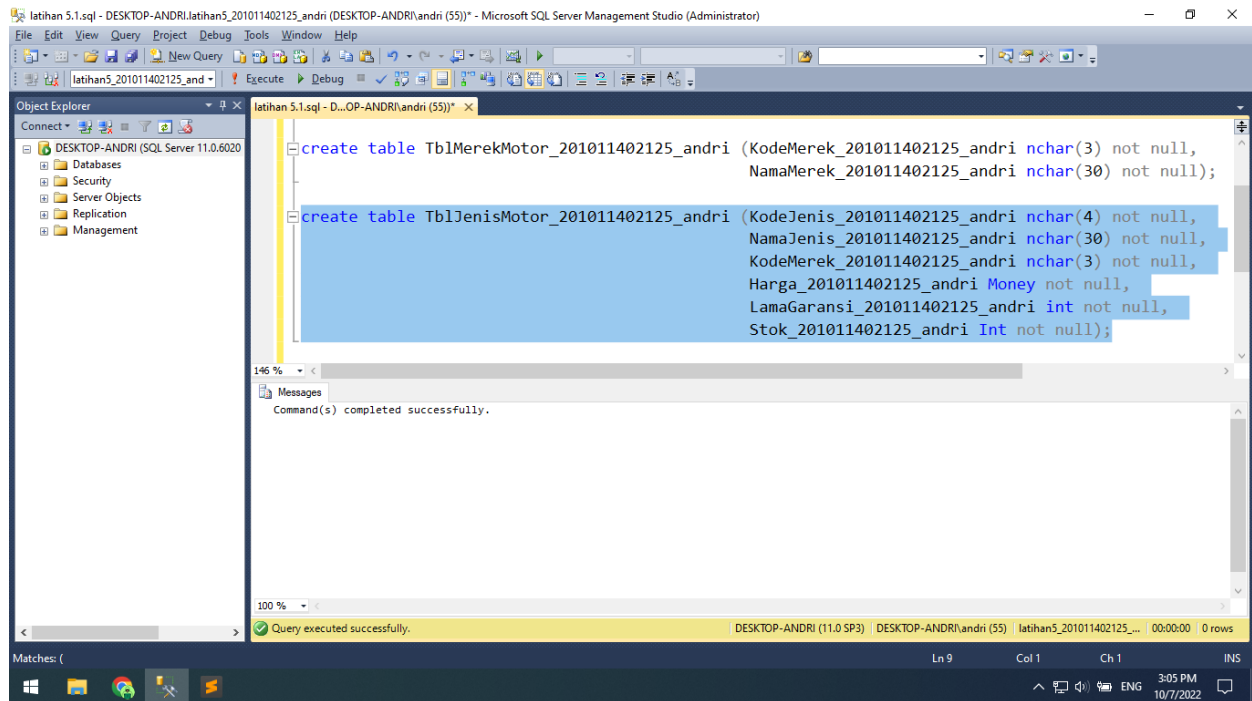

Keterangan gambar di atas: Membuat database latihan5\_201011402125\_andri

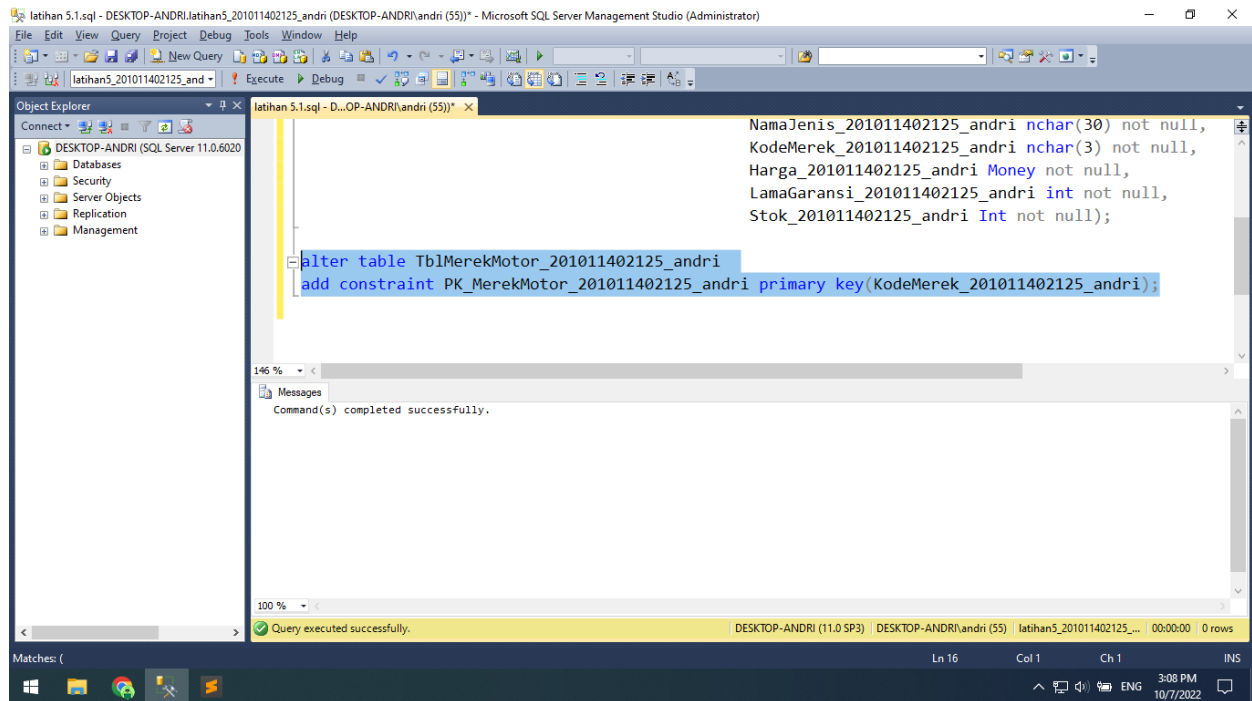

Keterangan gambar di atas: Menggunakan database latihan5\_201011402125\_andri

Keterangan gambar di atas: Membuat table TblMerekMotor\_201011402125\_andri dengan kolom KodeMerek\_201011402125\_andri nchar(3) not null, NamaMerek\_201011402125\_andri nchar(30) not null

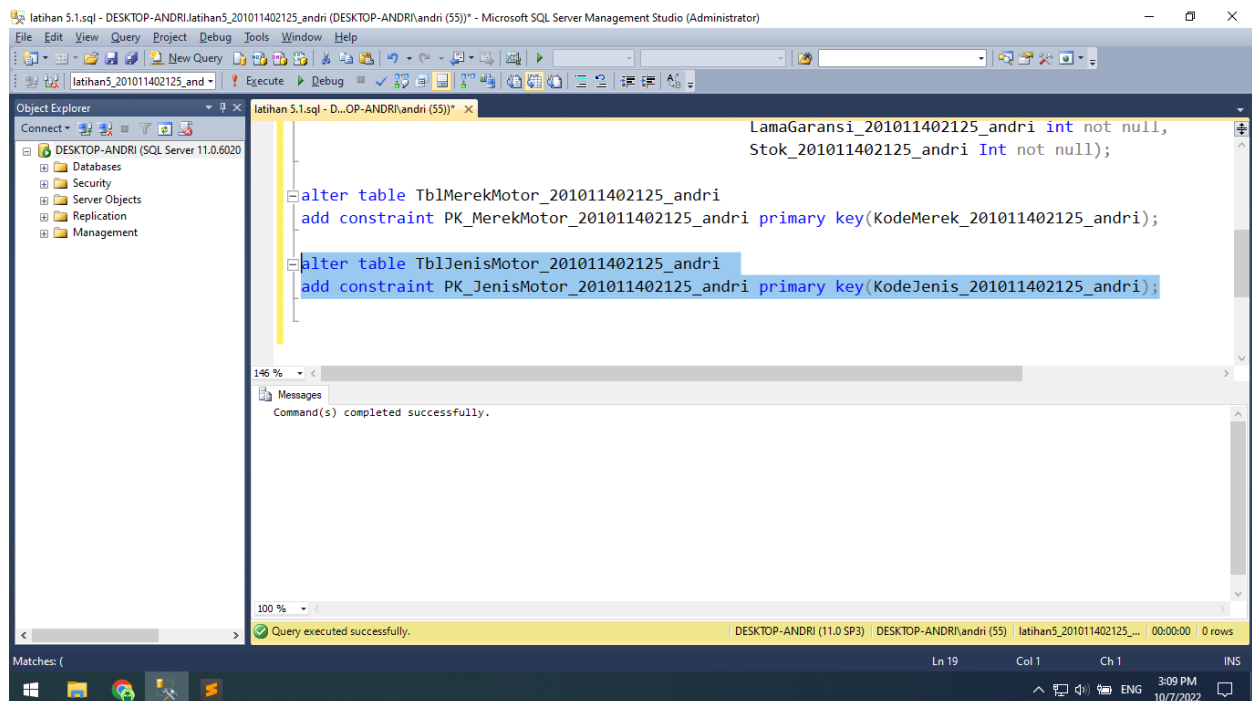

Keterangan gambar di atas: Membuat table TblJenisMotor\_201011402125\_andri dengan kolom KodeJenis\_201011402125\_andri nchar(4) not null, NamaJenis\_201011402125\_andri nchar(30) not null, KodeMerek\_201011402125\_andri nchar(3) not null, Harga\_201011402125\_andri Money not null, LamaGaransi\_201011402125\_andri int not null, Stok\_201011402125\_andri Int not null

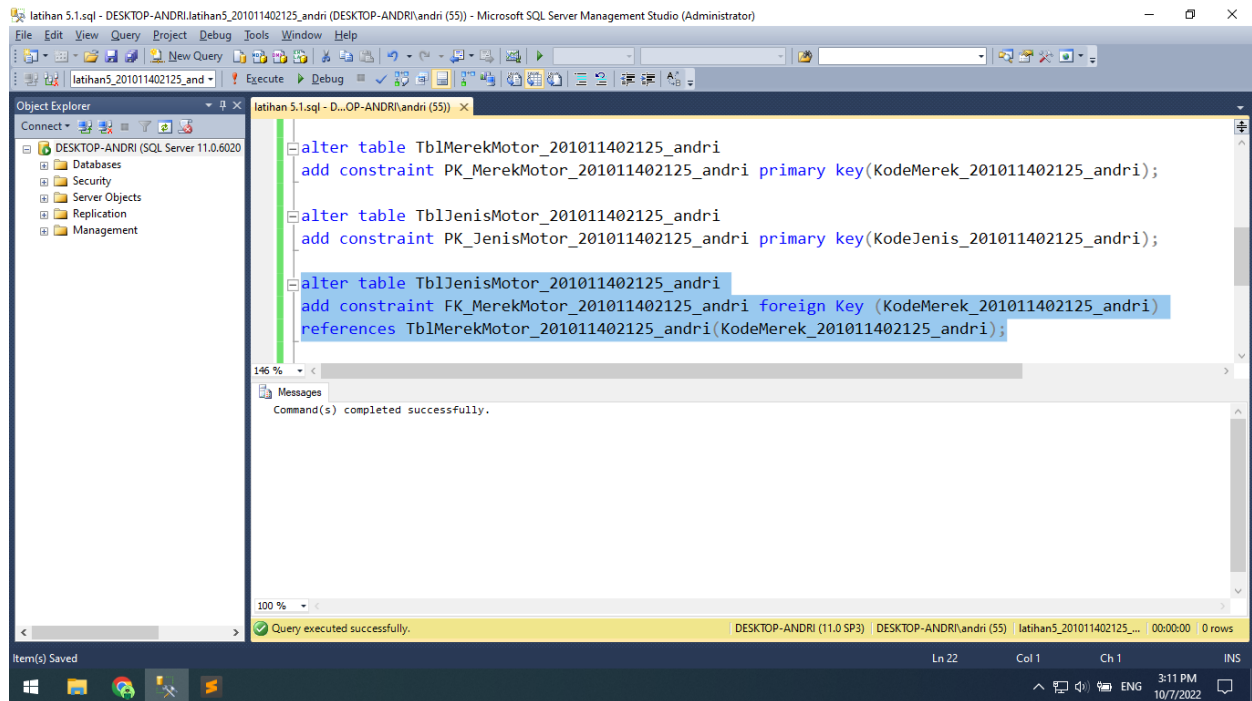

Keterangan gambar di atas: Memberikan primary key pada table

TbMerekMotor\_201011402125\_andri pada kolom KodeMerek\_201011402125\_andri

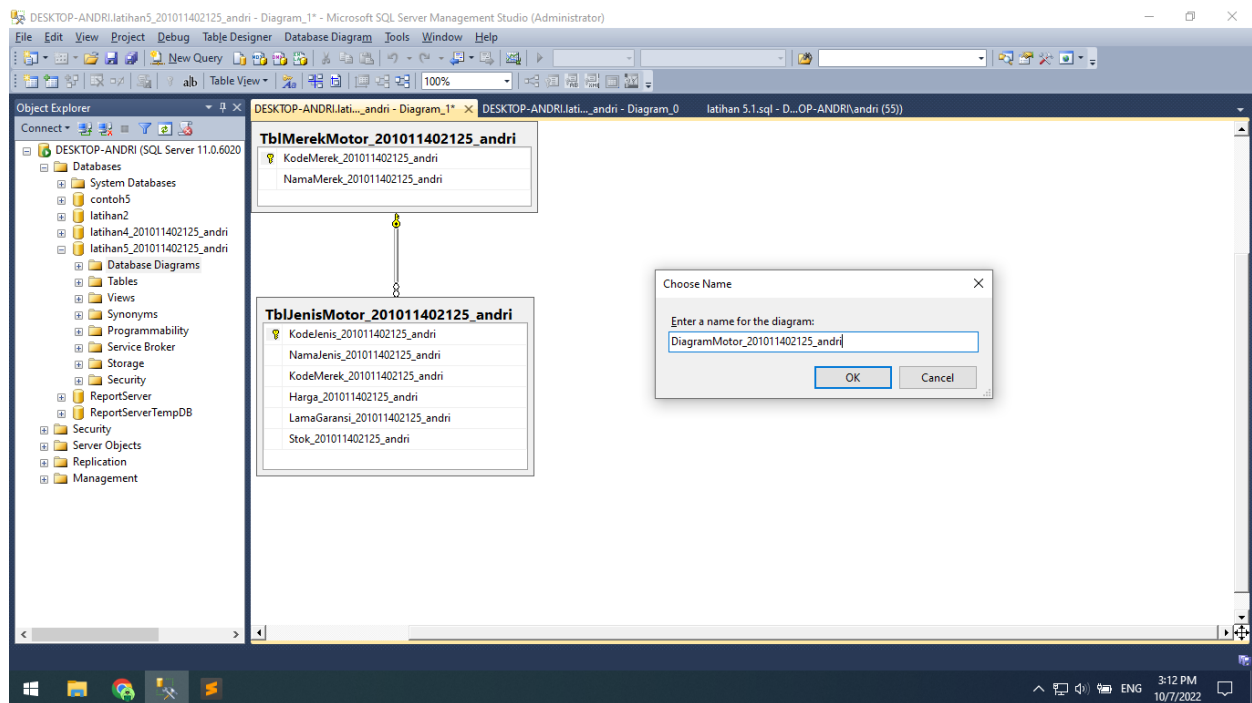

Keterangan gambar di atas: Memberikan primary key pada table

TbJenisMotor\_201011402125\_andri pada kolom KodeJenis\_201011402125\_andri

Keterangan gambar di atas:

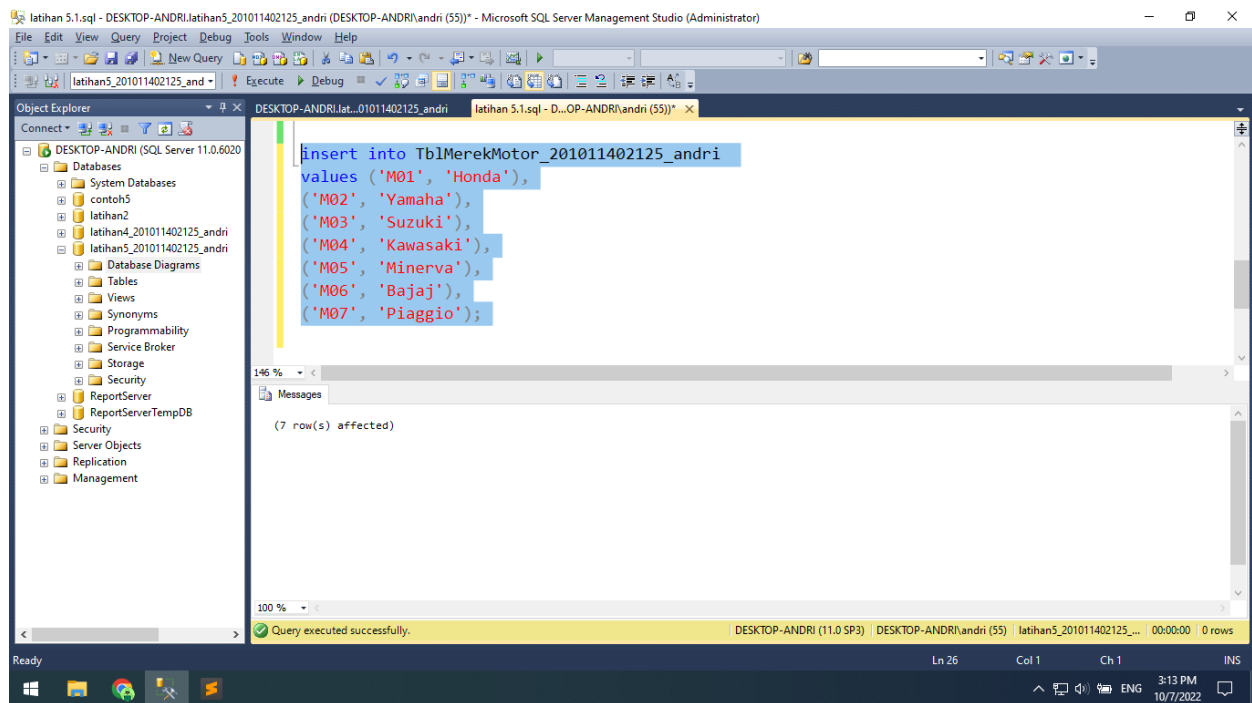

Memberikan foreign key pada table TblJenisMotor\_201011402125\_andri pada kolom KodeMerek\_201011402125\_andri dengan referensi table TblMerekMotor\_201011402125\_andri agar kedua table berelasi

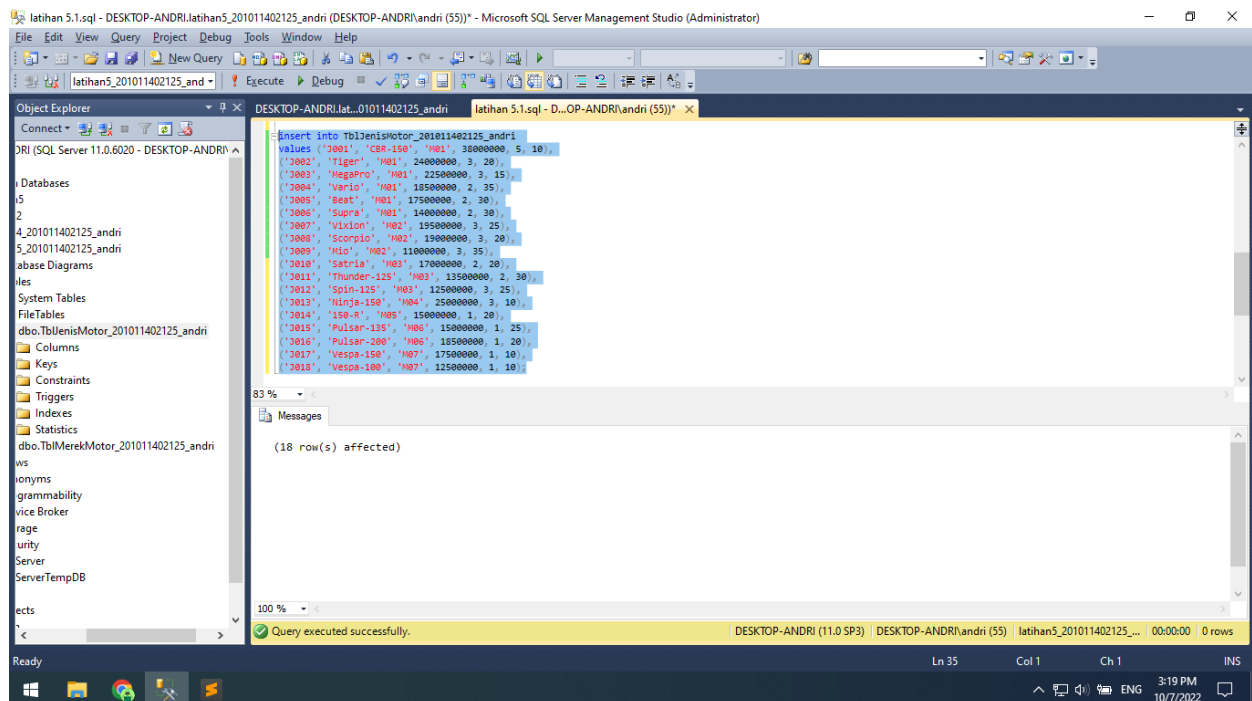

Keterangan gambar di atas:

Membuat database diagram yang sudah terelasi dengan nama diagram

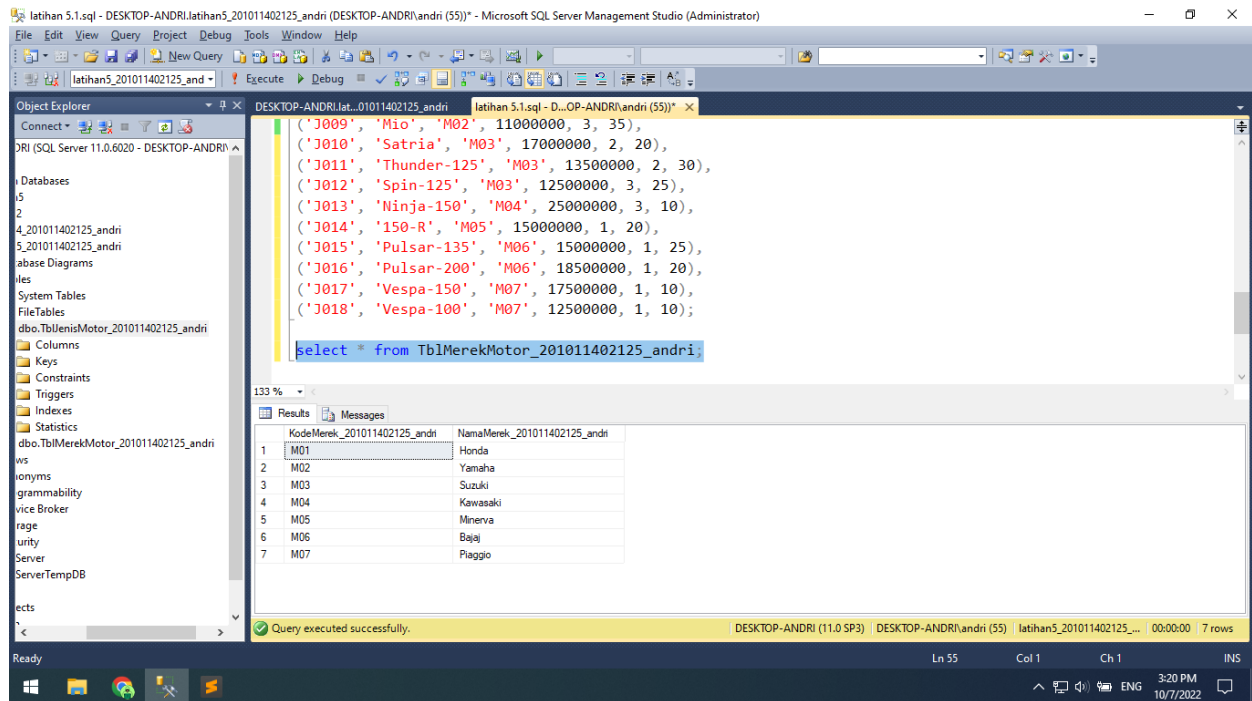

DiagramMotor\_201011402125

Keterangan gambar di atas: Menambahkan 7 buah data untuk table  
TblMerekMotor\_201011402125\_andri

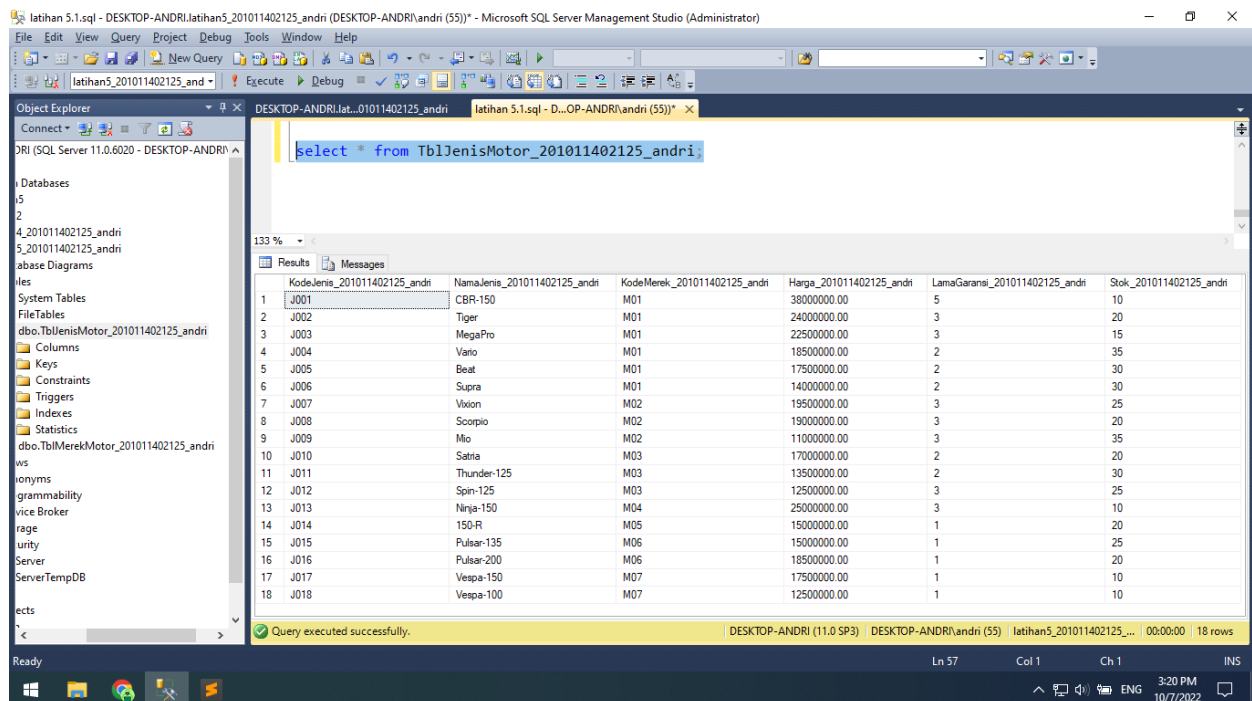

Keterangan gambar di atas: Menambahkan 18 buah data untuk table  
TblJenisMotor\_201011402125\_andri

Keterangan gambar di atas: Menampilkan seluruh isi table

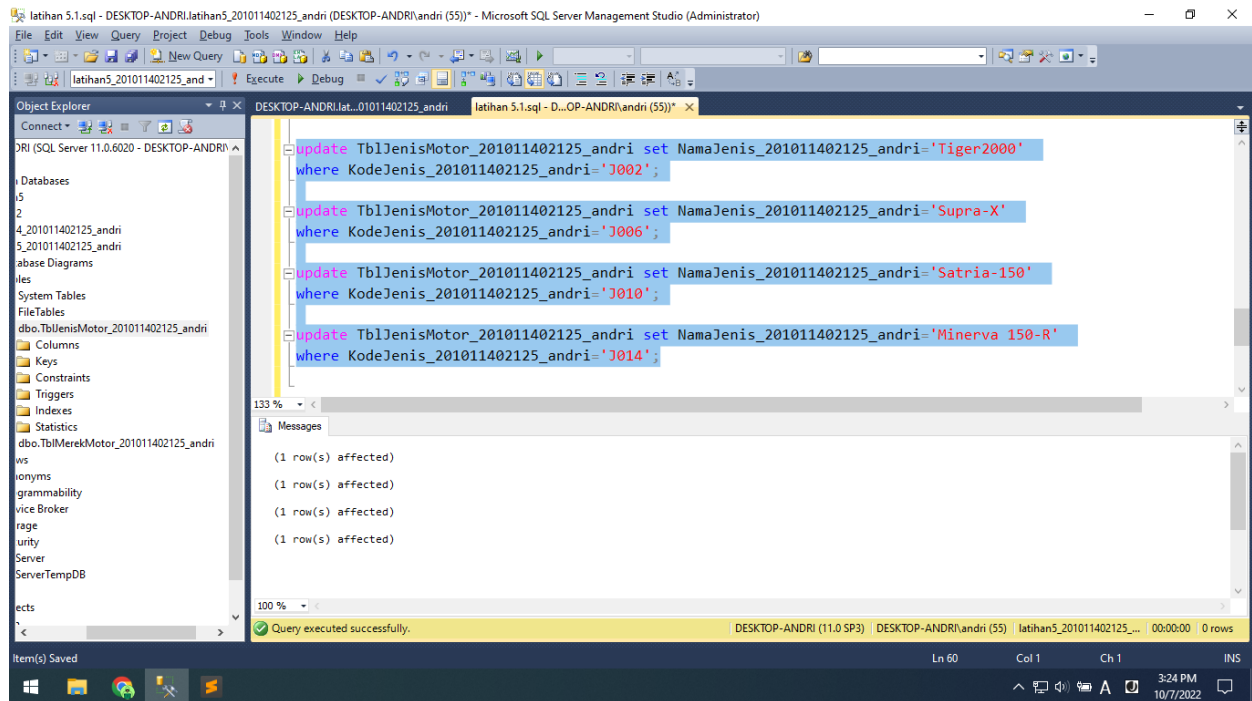

TblMerekMotor\_201011402125\_andri

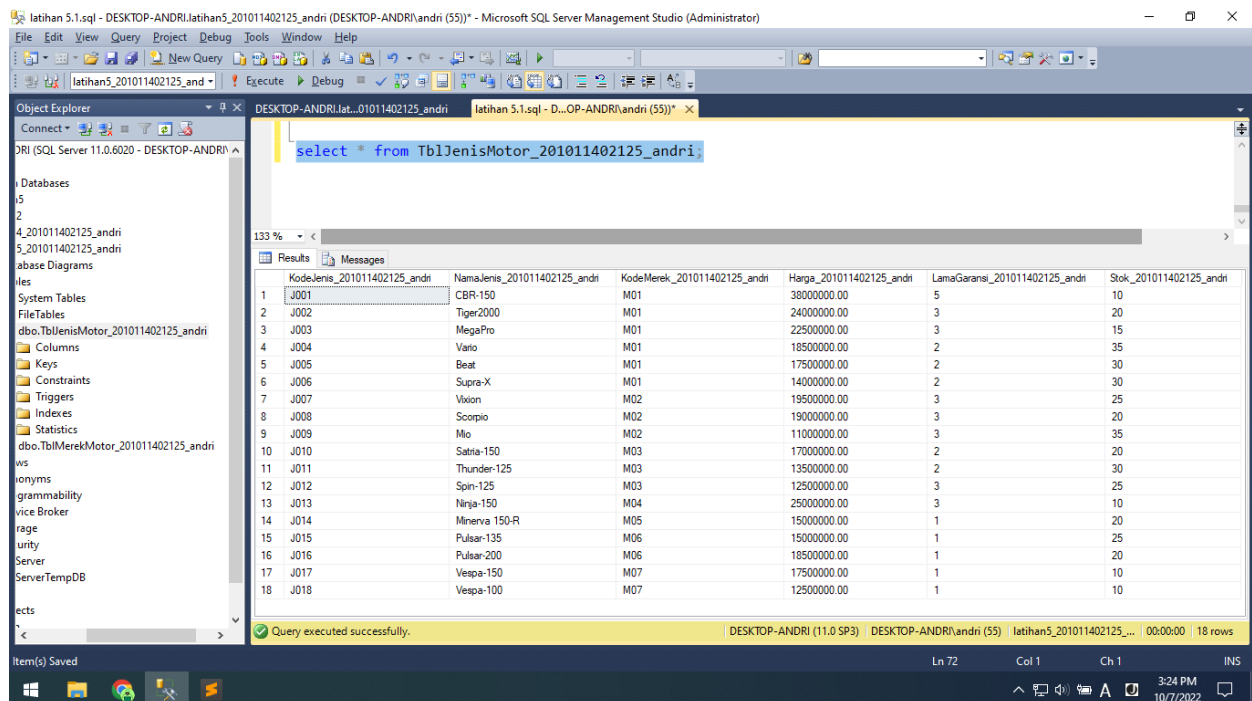

Keterangan gambar di atas: Menampilkan seluruh isi table

TblJenisMotor\_201011402125\_andri

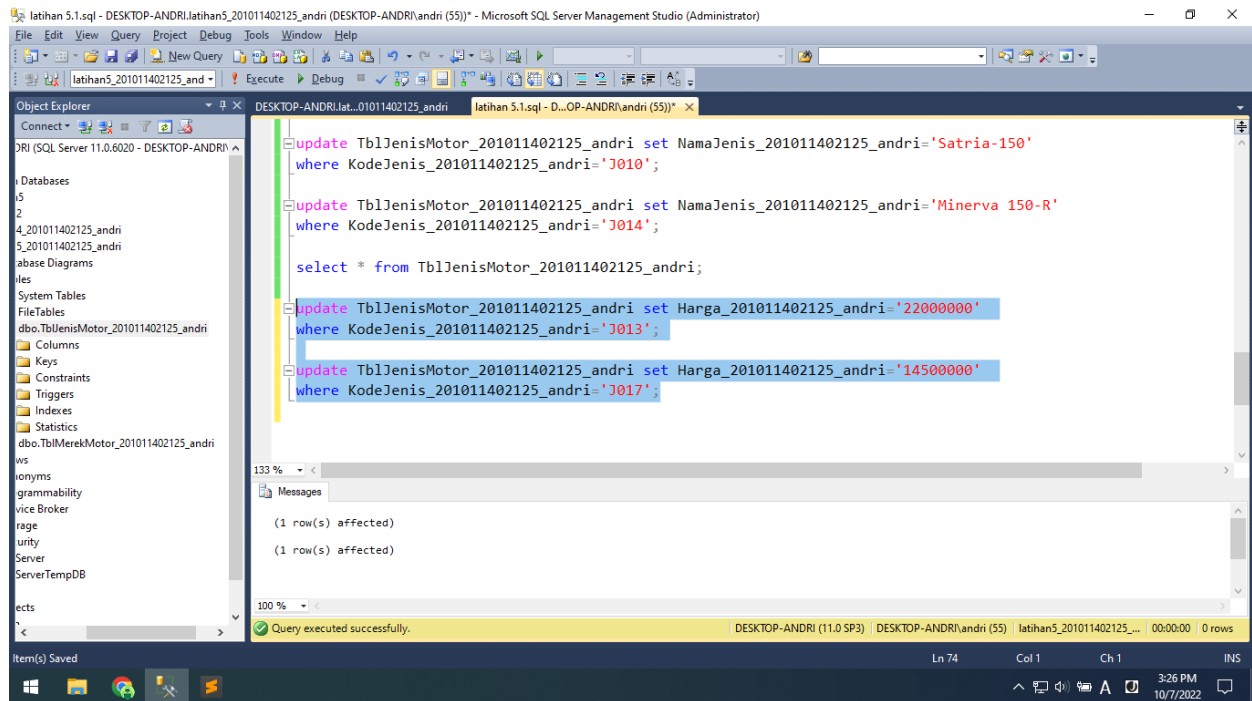

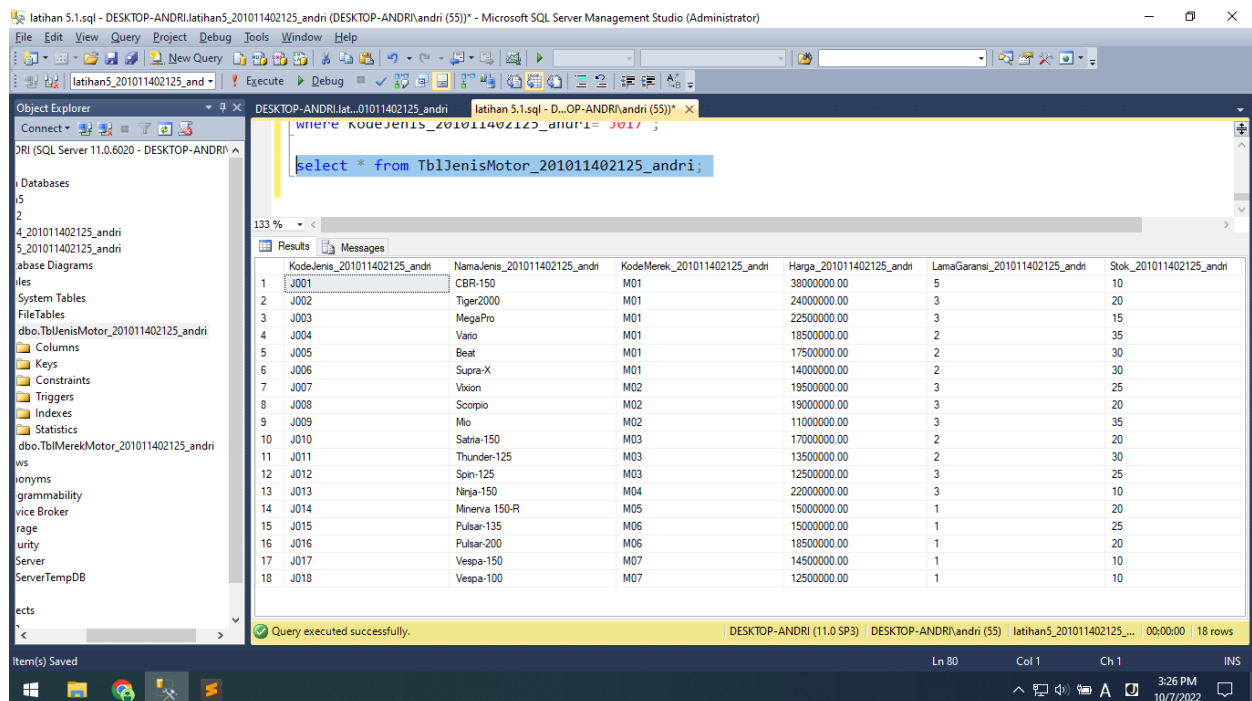

Keterangan gambar di atas: Merubah 4 buah data pada table  
TblJenisMotor\_201011402125\_andri

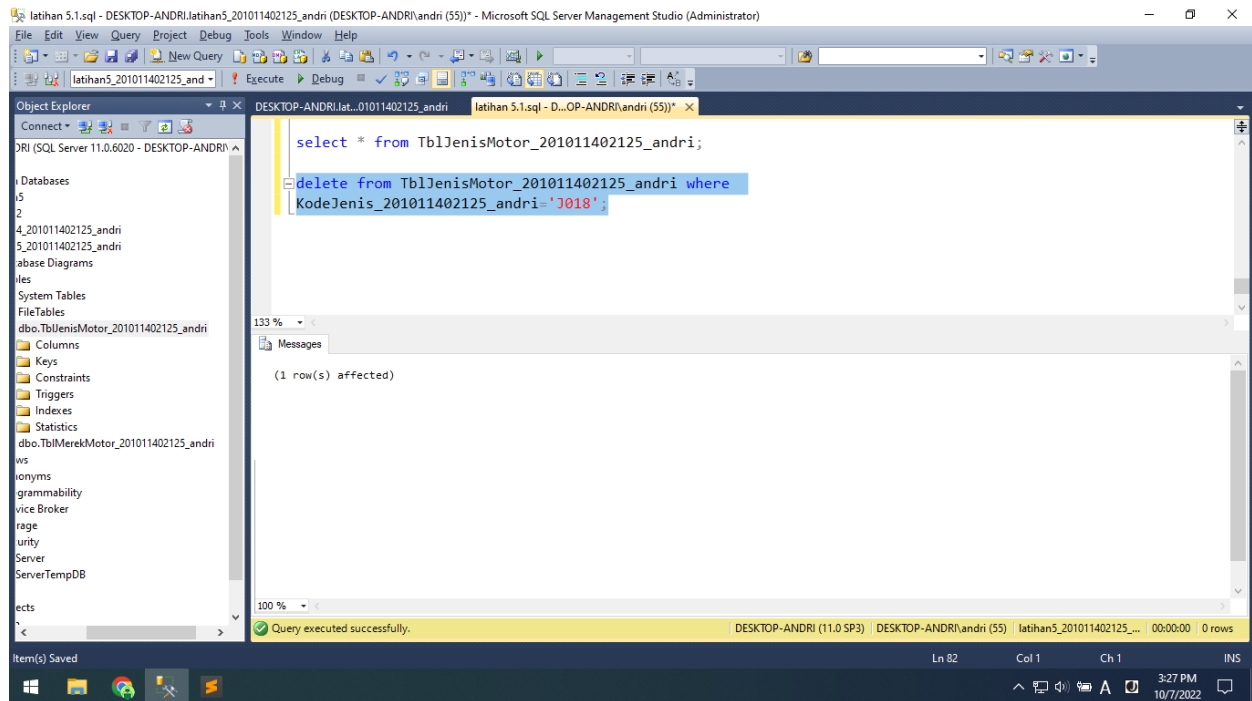

Keterangan gambar di atas: Menampilkan seluruh isi table pada table  
TblJenisMotor\_201011402125\_andri untuk melihat perubahan

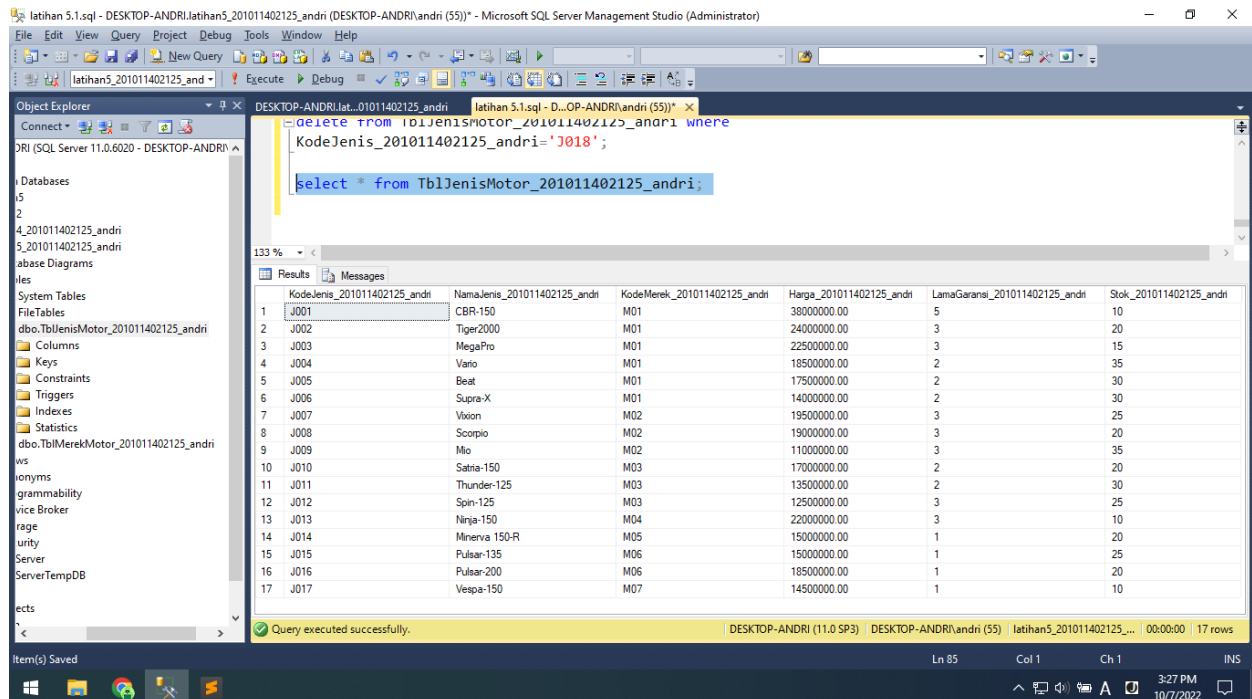

Keterangan gambar di atas: Merubah 2 buah data pada table  
TblJenisMotor\_201011402125\_andri

Keterangan gambar di atas: Menampilkan seluruh isi table pada table  
TblJenisMotor\_201011402125\_andri untuk melihat perubahan

Keterangan gambar di atas: Menghapus 1 buah data pada table  
TblJenisMotor\_201011402125\_andri

Keterangan gambar di atas: Menampilkan seluruh isi table pada table  
TblJenisMotor\_201011402125\_andri untuk melihat perubahan
